FINISH DISCLAIMERS

- BS15, BS16, BS17, CR03, CR04, CR09, CR19, CR26, SR15, SR17, SR18, SR21, SR26, SR30, SR33, SR40, TL14. Due to the oxidation process during plating, these finishes will have some slight variations. Oxidation can continue if goods are stored for long periods. As with all electroplated finishes, results will vary after industrial washing. Please test accordingly.
- BS08, BS16, BS25, BS26, BS27, BS28, CR08, CR20, CR21, CR22, CR23, CR24, CR25, SR17, SR18, SR46, SR47, SR48, SR49, TL02, TL03, TL06, TL10, TL13, TL15 go thorough a special random production process which result in variations in bulk.
- SR26 is a finish with nickel content.
